

TRUE
NORTH

Catalina  *Yachts*

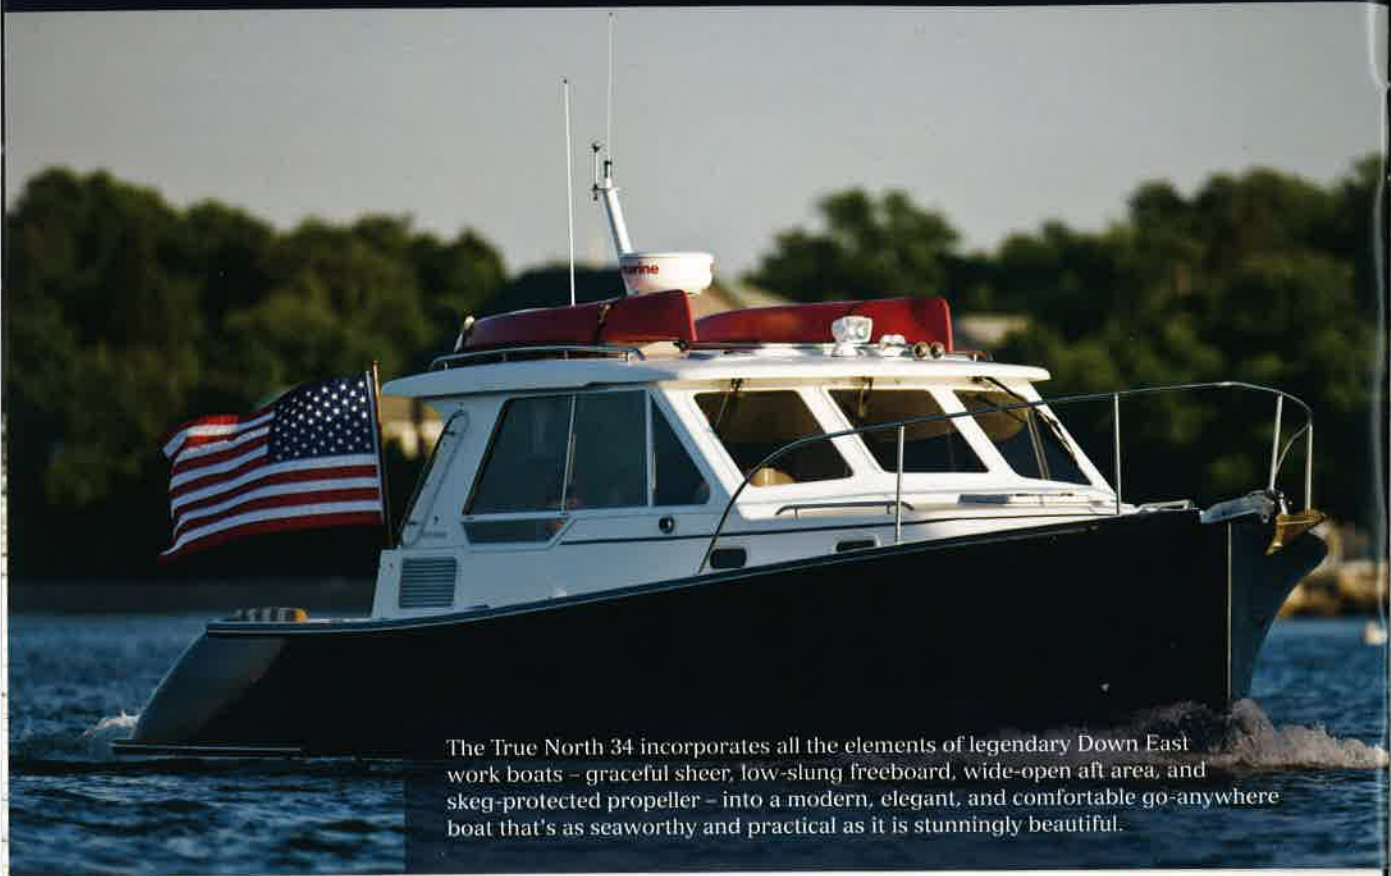

THE ELEGANT ADVENTURERS

True North yachts feature the timeless and rugged beauty of Down East workboats, and have a well-earned reputation for being able to handle even the roughest conditions. Their sophisticated "open concept" interiors are as comfortable as they are functional. And each of these elegant adventurers features a long list of options that will allow you to enjoy and experience your surroundings like no other boat on the water.

Whether you're headed out for an easy sunset harbor cruise, or a challenging adventure to a remote archipelago, True North yachts will get you there — in style. And they're all made in the USA.

SO, WHERE ARE YOU HEADED?

True North 34

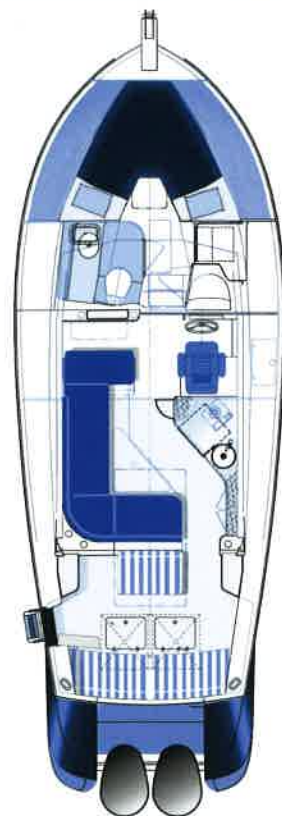

The True North 34 incorporates all the elements of legendary Down East work boats – graceful sheer, low-slung freeboard, wide-open aft area, and skeg-protected propeller – into a modern, elegant, and comfortable go-anywhere boat that's as seaworthy and practical as it is stunningly beautiful.

True North 34 Outboard Express

This go-anywhere boat combines the timeless good looks, outstanding all-weather performance, spacious interior, and impeccable reputation that all True North boats are known for with the efficiency, speed, maneuverability, and shallow draft that twin 250 horsepower 4-stroke outboard motors provide.

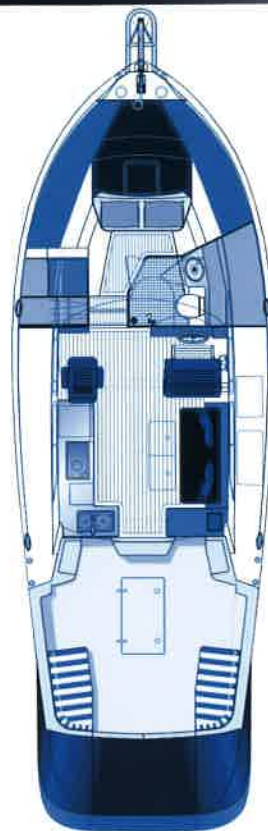

True North 38

The True North 38 is an elegant, Down East cruiser that has the space, speed, and stability that owners appreciate on extended adventures or day trips, and the classic good looks that will turn heads in any harbor.

Outboard Express

True North has initiated Catalina's entry into the growing market segment of Down East-style powerboats. Now in its 50th year of building the largest selection of honest, sturdy boats that hold up to real world conditions, both Catalina and True North owners benefit from a half-century of expertise, engineering and distinguished reputation not only for building boats, but also for developing enduring relationships with its owners, based on product quality and customer service. For Catalina and True North owners, this means extra value and enhanced boating experience, with the added bonus of excellent resale value.

True North yachts feature the timeless and rugged beauty of Down East workboats, and have a well-earned reputation for being able to handle even the roughest conditions. Sophisticated "open concept" interiors are as comfortable as they are functional. And each of these elegant voyagers has a long list of options that will allow you to enjoy and experience your surroundings like no other powerboat on the water. Whether you're headed out for an easy sunset harbor cruise or a challenging adventure to a remote archipelago, True North yachts will get you there in style. And they're all proudly manufactured in the USA by Catalina Yachts.
