What is America's Great Loop?

Visit Norfolk Sheraton Waterside May 6-9

America's Great Loop is a cruising route that includes 2+ countries, 14+ States and Provinces, 100+ Locks and 5,250 miles all aboard your own boat. Many people want to see the countryside from the waterways included in AGL, but are hesitant to go it alone. Others wonder how long it would take and hesitate to be away from home for so long.

The Great Loop can be done in shorter sections and there is a group of boaters (and prospective boaters!) who learn about it and make this adventure a reality. Americas Great Loop Cruisers Association has events that you can attend to gather information and make your plans. You can attend by boat or stay in the hotel hosting each event. Many boaters attend these events for a year or two prior to actually leaving the dock to do The Great Loop. Visit www.greatloop.org or call 877-GR8-LOOP

AGLCA Spring Rendezvous will be in Norfolk, VA, May 6-9, 2019. **CYS Lead Broker, Cori Williams, speaks to AGLCA at 8 am on May 7: 5 Most Important Tips When Boat Buying.** ↓

Deltaville Community Events You'll Love

Seafood Festival & 5K with Kid's Fun Run- Pool, Tennis & Playground And Deltas Baseball

The Deltaville Community Association is a great asset to our little village. In December everyone loves the Christmas Creek Cruise on Jackson Creek. Now that we are entering warmer weather, you will enjoy visiting the beautiful pool with separate kiddie pool (pay at gate per visit or buy a summer family pass) and the tennis courts available for public use. Often you can pick up a partner practicing on the courts. Behind the tennis courts are sections of children's playground for

public use. Take a picnic basket and relax at the benches, picnic tables or gazebo.

Check out the fantastic baseball games at the Deltaville Delta's Ball Field. Take a step back in time with a hotdog and a good ole' ballgame.

The deliciously fun annual Deltaville Seafood Festival will take place on Friday, May 10th and Saturday, May 11th with music, craft and boat displays along with seafood, seafood, seafood!

If you love to run (or walk) you will want to join the fun on July 6, 2019 for The Deltaville 5K and Kid's Fun Run. The route is well marked with happy crowds cheering you on!

Pool Use at DYC

Quiet Relaxing Encouraged

2019 will be good year at the DYC pool & clubhouse. You will notice a new arrangement inside the clubhouse creating a game corner. A new TV is coming soon! For those who need some AC during summer monts, come inside the DYC Ship's Store and relax in the center Boaters Lounge area.

We switched to a different pool maintenance service and look forward to their professional care.

At DYC we want you to relax and enjoy the pool with your family and friends. You will notice signage with guidelines that encourage quiet relaxing to respect the others also enjoying the day.

Here are a few thing to keep in mind:

*Always keep pool gate closed- for safety reasons and to prevent animals from entering pool area

*Pets and Smoking Prohibited in pool area & clubhouse- many DYC boaters have strongly requested that you honor these restrictions. Allergies and breathing issues are serious things.

*Pool Closed after 10 PM- due to quiet time at marina for families sleeping aboard, there should be no pool use after 10 pm.

*Groups MUST pre-register w/ office- DYC Pool is PRIVATE for use by boat owners & their guests. If you wish to request use of pool or clubhouse for a group, you must get permission from DYC office 2 wks. Prior to arriving.

*QUIET relaxing encouraged- although children are the joy of life, please keep in mind that others may be trying to relax at DYC pool after working all week. Keep play and pool communications as quiet as possible. If more 'kid interaction' is desired, please check out the DCA public pool.

*No Glassware or Bottles in Pool Area- We want you to enjoy food & beverages, but broken glass is a concern registered by DYC boaters.

*All Garbage should be removed from Clubhouse and Pool. Use dumpsters near DYC Boatel. As you respect others who use the restrooms, please remember that bathroom garbage cans should not be used for food or boat garbage. ↓

Boatel & Boatyard Coordinator, James Morris

Career Day- Professions At A Marina

JAMES AT LANCASTER MIDDLE SCHOOL CAREER DAY

James Morris is a great example of finding a career within the marine trades. James works with DYC techs and Laura Powell to coordinate the DYC Boatel and Boatyard. You have probably met him on weekends as he operates the forklift, helps boaters with fuel and inspects both the docks and boatyard or during the week as he operates the DYC 50 Ton Travel lift. James was asked to speak at

Career Day at Lancaster Middle School. He spoke to 6 groups of 5th and 6th graders, keeping their attention with videos of DYC work as well as 'hands on' items showing rope strength, equipment and safety requirements. James stressed to these young people that there are good jobs that allow you to get education while you work.

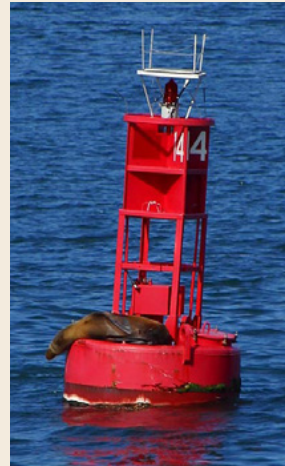

5TH & 6TH GRADERS LEARN ABOUT MARINE TRADES

James Morris is completing his 2 year Virginia Apprenticeship Marine Tech program combining on the job experience with marine trade courses. DYC is proud to be a corporate sponsor of the Virginia Apprenticeship process, with 6 DYC team members having received their journeyman cards and 2 others in the process. ↓

True North Powerboats

CYS Will Proudly Present True North Powerboats

Catalina Yachts is entering their 50th year building Catalina sailboats. Chesapeake Yacht Sales has been selling all models of Catalina sailboats since 2001. Catalina Yachts VP Sharon Day & Gerry Douglas made an exciting announcement at the 2018 Annapolis Sailboat Show private dinner meeting for Catalina dealerships.

SHARON DAY & GERRY DOUGLAS – CATALINA YACHTS ACQUIRES TRUE NORTH POWERBOATS

At a gathering overlooking the Annapolis Harbor, the True North announcement was made as Sharon & Gerry presented dealers, including Cori Williams, Gordon Inge, Lew & Onna Grimm, with a Catalina Yachts 50 year Anniversary Chronological History tri-fold showing all significant accomplishments of Catalina Yachts from July 1969 through October 2018, the final line reading ... October 2018: The renown True North line of Down East style powerboats is acquired, initiating Catalina's entry into this growing market segment, promising traditional style with great performance and Catalina value.

Sharon Day added 'This is yet another pivotal moment in Catalina's 50 years of boat-building. Our management team is excited to provide more boating lifestyle choices to mariners attracted to the sea and Catalina craftsmanship'.

Molds for the True North 34, True North 34 Outboard Express and True North 38 have been moved to the Catalina plant in Largo, Florida. Production will begin this year.

'We have been talking with dealers & owners while strategizing which configuration of boats to market first, and find the True North line is a brand that appeals to sailors, making it a good fit for Catalina Yachts,' said Sharon Day, VP of Sales and Marketing.

Day said that True North owners will benefit from a 'half century of expertise, engineering and distinguished reputation, not only for building boats, but also for developing enduring relationships with its owners, based on our product quality and customer service.'

Chesapeake Yacht Sales & Deltaville Yachting Center is known as the Catalina, Mainship, Albin and Carolina Classic Specialist. With years of selling and servicing these brands, CYS is ready to add True North Downeast style powerboats to our offerings in the Heart of the Chesapeake Bay.

CYS has pre-reserved a True North 34 and 38 and looks forward to their arrival in 2020. The Chesapeake Bay & its tributaries is a perfect match for true North Downeast style powerboats. We can't wait to see them cruising the Deltaville area. ↓

If you are interested in more details about True North please contact:
