## Central Water in Deltaville, VA DYC Bathrooms & Short Term Rental House

The Middlesex Water Authority has worked diligently for the last 3 years doing permitting, testing and installation of a central water system for county residents and businesses who paid to 'hook up'. As with all public water systems, there will be a monthly usage fee.

Deltaville Yachting Center has paid for 'hook up' for the DYC bathrooms and for Deerview Boat House- short term onsite rental.

DYC Docks and Boatyard water will remain as existing well water. ↓

# Boat Sales Brisk

You can tell from the SOLD BOATS bulletin board inside CYS office, that boat sales have been busy. There are mixed feelings whenever a boater parts with a vessel. However, the new owner is always smiling! ↓

# U.S. Coast Guard Appreciation

## Coast Guard Auxiliary @ **DYC** for **FREE VESSEL SAFETY INSPECTIONS**

If you have ever called for help from the U.S. Coast Guard, you know how valuable that help is. Lives and vessels could be at risk. The proper handling of people in a panic situation, is priceless. Deltaville Yachting Center and Chesapeake Yacht Sales supports and appreciates all efforts of the U.S. Coast Guard.

As an arm of the U.S. Coast Guard, the volunteers of the Coast Guard Auxiliary Flotilla 66 focus on teaching boaters safety, performing free vessel safety inspections and assisting U.S. Coast Guard as requested.

USCG Auxiliary Flotilla 66 will be at Deltaville Yachting Center for the following Boaters' Events:

**MAY 6 & 7, 2023** USCG AUXILIARY will be onsite at DYC to discuss membership, boating classes and boat safety.

**JUNE 10TH, 2023** FREE VESSEL SAFETY INSPECTIONS 9am to 1pm – Contact [info@dycboat.com](mailto:info@dycboat.com) to schedule your vessel safety check. ↓

## Dock Safety Coloring Book

### Safety Guide Dedicated to Baby Noah by the Thomas Family

Children of all ages enjoy being around boats and on docks. However, docks can be dangerous places and any way that dock safety can be promoted is helpful. The Coloring Book called Dock Safety has sketches to color and activities to encourage discussion. Sadness prompted this important project. Please come in to DYC and pick up your **FREE COPY** compliments of the Thomas Family. ↓
